On Thursday, February 24, the Center for Strategic and International Studies (CSIS) will host a half-day, public conference called, "Fusion Centers: Function and Future." The [Department of Homeland Security](#) [1]'s Principal Deputy Under Secretary for Intelligence and Analysis, Bart R. Johnson, will deliver keynote remarks, followed by three panel discussions on issues surrounding fusion centers. The office of the Program Manager, Information Sharing Environment, will be represented on the first panel, entitled, "Homeland Security and Counterterrorism Priorities for Fusion Centers."

[State and Major Urban Area Fusion Centers](#) [2] are a critical service supported by the Information Sharing Environment, and the PM-ISE is excited to participate in this event. [Meeting Details](#). [3]
